

2018 Newsletter

Valentine's Day Class Parties

Class parties will be held on Wednesday, Feb 14th. Please see your child's teacher for a sign-up sheet. You should also receive a list of names for your child's class for doing valentines.

Health Reminder

We send home all children who have a temperature of 101 °or higher. If your child is sent home from daycare they must stay out the next 24 hours. If your child is found to be in poor health during the day, the providers will notify you as soon as possible. It is not healthy for children to be in daycare when they are not feeling well and are unable to participate in the days activities. (Note: When you are called for pick-up due to illness you are expected to pick up within an hour of notification). Please make sure that your child's emergency contact information is correct.

Please help us keep the center healthy. Also let us know if your child is diagnosed with anything contagious so we can clean accordingly and notify other parents if needed.

Thank you for your cooperation.

Scholastic Book Orders

We invite you to order from the Scholastic Book orders that are sent home. Scholastic works hard to provide good quality books at a lower cost than book-stores. They also help provide us with free books and other educational materials. You can use the code listed on the order forms to order online.

The weather is cold and we love to go outside to play. Children need a warm jacket everyday. We also need your children to wear shoes that fit and will not come off during outdoor play. Remember it is for the safety of our Little Angels.
